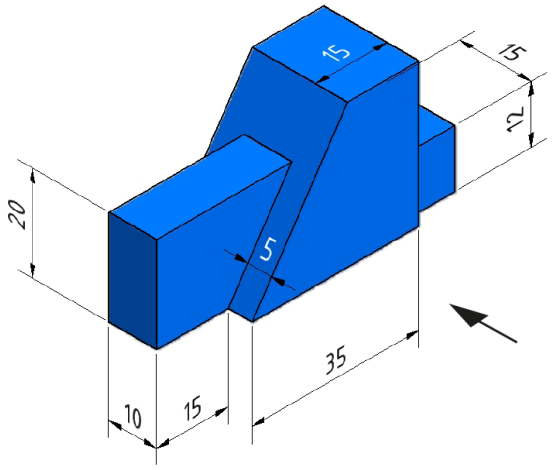
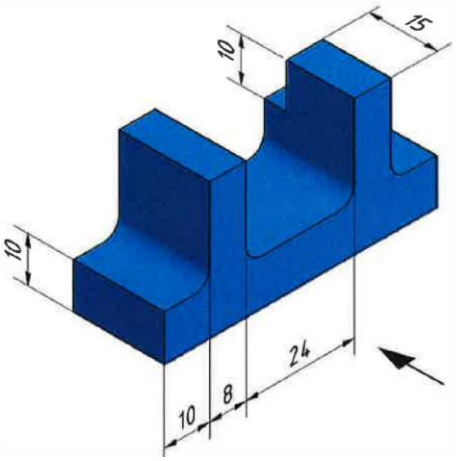
P1

Dessinez pour les exercices 1 à 6 la vue de face, la vue de dessus et la vue latérale gauche à partir de la perspective. Les dimensions du corps de base sont, sauf indication contraire : 30 x 20 - 60.

Prenez la vue indiquée par la flèche comme vue de face. Vous n'avez pas besoin d'indiquer les cotes.



2 Rayons non cotés R4



3 Rayons non cotés R4
